March 2018 Issue No A090

Burberry Polo Shirt

with motif of a Knight on horseback in full armour holding lance, shield and flag.

Riding horse viewed from the side. Damage caused by motif on knitted fabric

Burberry polo shirt Wet Cleaned and hung to dry but still damaged by sharp edges on motif.

Suggest only hand wash is safe even though a very mild Wet Clean process was used.

Definitely not safe for dry cleaning either because the motif is difficult to protect.

"Obviously we cannot say that other items of the same type will have the same problem, or that a different method of cleaning may have had a more satisfactory result, because this was not tested, but we advise caution and that you carry out your own test if you are going to clean this type of garment."
