

Amber Alert

October 2018 Issue No A097

Gucci shirt. The shirt has an accompanying belt with embroidered detail that is not colourfast. The label is a little faded but it is labelled P Underlined which is suitable for perchloroethylene with care and the care Label also indicates that it is not possible to wash the item at any temperature.

"Obviously we cannot say that other items of the same type will have the same problem, or that a different method of cleaning may have had a more satisfactory result, because this was not tested, but we advise caution and that you carry out your own test if you are going to clean this type of garment."
