

Kevin Townend – Non Executive Director – Advanced Supply Chain

BREXIT - ONE SMALL STEP OR A GIANT LEAP

After graduating from Leeds Metropolitan University with a Bachelor's Degree in Industrial Engineering, Kevin joined the Ministry of Defence as a Science Officer based at the Royal Ordnance Factory in Leeds.

After the cold war ended 30 years ago, he was made redundant and decided to re-train as a work study engineer. Kevin joined the Burberry Group and was seconded to the Childrenswear Supply Chain Team. That was his entry into a 30 year career in logistics.

After all these years at Executive level in global logistic organisations, Kevin thinks Advanced business is such a success as every day presents a new challenge and a new opportunities for the board, they look forward to the tough calls, the challenging customers, and the constant push to keep their business competitive in an ever changing market.

Kevin's objective is to bring innovation and experience to the executive whilst advising on senior management decisions.
