CEO and founder of Fashion-Enter Ltd

Jenny Holloway is CEO and founder of award-winning social enterprise Fashion-Enter Ltd. Established in 2006 FEL is a centre of excellence for skills in garment manufacturing as well as manufacturing for a wide cross section of clients from Asos, N Brown, Very, Community Clothing to SME brands such as Gormely and Gamble and Louisa Parris.

FEL has a leading status in the ethical Fast Forward Audit and is SMETA audited too. Making up to 35,000 garments a week FEL has been at the forefront of returning quality made garment manufacturing back to the shores of UK.

FEL has recently collaborated with Kornit Digital to provide a new learning experience on their ethical printers Presto and their T-shirt printing facilities with the Atlas machine.
