

Jason Wang – Chief Operating Officer - Alvanon

Jason Wang, a member of **Alvanon's** founding family, oversees global operations for Alvanon, and has played a pivotal role in driving Alvanon's evolution into a mainstream apparel-technology company.

Jason drives the business strategy of all new product and apparel tech innovations. He oversees Alvanon's in-house technology team consisting of software engineers, machine-learning/AI experts, data scientists and 3D experts. By leveraging his expertise in applications and technology, Jason has established the processes and methodology for the development of Alvanon's 3D virtual bodies and Alvanon Body Platform (ABP).

He is regarded as one of the world's leading experts in body shape analysis and 3D avatar creation. Jason graduated from Babson College with a Bachelor of Science in Business Management, specializing in Management Information Systems.
