Eco-Luxe & Savile Row

*Breathing new life into British Textiles
upcycling natural wool textile waste*

Guest Speaker:

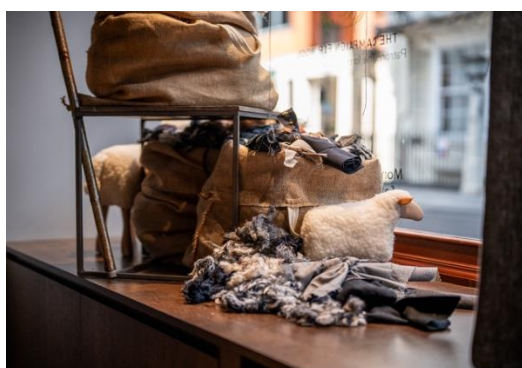

Su Thomas

Founder of Eco-Luxe

The presentation will highlight developments to create a zero waste, circular initiative, processing wool waste from bespoke tailoring companies. Working with Savile Row tailors the creation of 'Eco-Luxe'

has spearheaded an initiative to encourage luxury clothing brands to donate their textile off-cuts for repurposing. 'Eco-Luxe' processes 100% wool and cashmere textile waste, blends it with organic British natural fibres to create high quality luxury cloth.
